

Business Insights 360°

A full business dashboard designed to bring finance, sales, marketing, supply chain, and executive reporting into one modern, decision-ready experience.

Report Refresh Date : Thursday, 2 April 2026

Finance View

Analyse profit, loss, margins, cost movement, and overall financial health with a clearer performance lens.

Sales View

Track revenue trends, customer performance, and product-level movement across time, regions, and segments.

Marketing View

Review campaign impact, reach, demand signals, and the contribution of marketing to business outcomes.

Supply Chain View

Monitor fulfilment, inventory flow, forecast alignment, and operational reliability across the value chain.

Executive View

See leadership-ready KPIs, business risks, strategic trends, and cross-functional performance in one place.
